Newsletter AUTUMN TERM 2016 14th October

Head's Hello

I would like to start this week by saying a huge thank you to all of the teachers for providing exciting activities for all of our children for our 'Growth Mindset' focus. All of the children have been taking part in activities that may be tricky, or completely new to them to try and promote a have a go attitude and know that being stuck is often a sign of learning. Ms Allen taught Italian (with year 6 even creating an Italian rap!), Ms Barnes did a bake off, Mr Downes taught street surfing, Mrs Webber did fire building, Mrs Naylor developed art skills, Mrs Faircloth challenged with maths and Mr Chorlton enabled the children to create their own animations with ipads. We hope that your children have come back from their school day inspired and talking about what they have achieved. A big well done is also in order for our football and netball teams. Both teams represented us playing against Fowey Primary School on Tuesday after school. Thank you for all of the super parent support on the football pitch. We will be having an additional Accelerated Reader workshop next term at a later time for those that could not make Tuesday. All parents are welcome to the maths workshop we will be holding this Tuesday after school in Conkers class.

Many Thanks

Natalie Simmonds

## Flu Vaccinations

Children in Years 1,2 and 3 are scheduled to receive a nasal spray flu vaccination in school on Friday 11th November. Vaccines for children in Cornwall are from this year to take place in school, rather than GP Surgeries as this is deemed to be the most efficient way to ensure is protected and to deal with poor take-up. Consent Forms will be sent home prior to the vaccination which will provide more information about the Vaccination programme. You will have the option to opt out of the vaccines for your child at this stage if you wish.
