- All pupils develop resilience and **perseverance** to enable them to achieve at the highest possible level and progress successfully into adults life in a rapidly changing world

RUNNING CLUB

The cross country presentation evening was held on Wednesday 22 March. We had 23 children qualifying for a medal which is on par with schools twice our size! Well done everyone !

NITS

We are always looking for ways to help combat the spread of head lice in school and realise what a nuisance these creatures are! Please continue to check your child's hair regularly and treat as necessary—thank you.
