Newsletter SPRING TERM 2017 20th January

Head's Hello,

On Wednesday this week we had a special visit from some other head teachers and an ex ofsted inspector to help our leadership team learn about making our school better. Our appointed learning ambassadors gave a guided tour and really impressed them with their knowledge of the school. Even more impressive was the behaviour and conduct of our children. We saw each and every one of them behave with pride and show perseverance in their learning. Mrs Webber and I were blown away with their manners and their spark. Thank you children!

Warm Regards

Natalie Simmonds

## Parent Pay debts

Could all parents please check their balances on their Parent Pay account as we have an increasing number of outstanding debit balances. A considerable amount of time is spent by the office asking parents to pay monies owed. If you have a query concerning the balance on your child's account please contact the school office. All services including school lunches, childcare provision, before and after school **should be paid for in advance or on the day**. You can set up an email reminder on Parent Pay so when your child's balance reaches a certain point you receive an alert by email.
