Newsletter 6 - 27 November 2015

Hello Everyone!

What an exciting time of year we have ahead of us. We will be celebrating the festive period through our pupils productions, the Christmas Fair and Christmas Concert. If you are unsure of any of the dates for this please do use the calendar on the website. It has all of the important dates for parents on to keep you up to date. The LSA now has a facebook page that will be updated with information about events. We are constantly trying to improve communication, so if there is something we can do to help, do let us know. Thank you to all of you for your donations for the tombola this year. We are very grateful to all the parents who have helped to organise the Christmas Fair, which will take place on the 4th of December at 1:30. We wouldn't be able to do it without you! We can also celebrate our attendance this term, which is currently at 97.6%. Well done to all of the children for getting up on these cold dark mornings and being ready to learn. Have a wonderful weekend.
