Newsletter SPRING TERM 2017 13th January

Head's Hello,

This week, during our family Friday, Mrs Ellis gave a talk for parents on online safety. Mrs Ellis works for Devon and Cornwall police in this area and has lots of expertise. We are very grateful for all of her help and advice. The internet can be an amazing tool and it can be used in lots of different ways. Children can play, learn, create and connect - opening up a whole world of exciting possibilities. But how do you keep track of what they're doing and make sure they're staying safe? Whether you're an online expert or you're not sure where to start we've got 4 key tips to help you:

- explore the online world together
- talk to your child about staying safe online
- manage the software and tools your family use
- agree rules about what's ok and what's not

Further information and advice can be found on our website in the parents section or come to the office and pick up a spare 'Digital Parenting' magazine if you did not get one last term. Together, we can ensure our children have safe parameters in which to explore online.

Taking pride in our uniform is important to us at Lostwithiel. Can I gently remind children and parents that sensible school shoes should be worn to school. Other footwear such as trainers and Heelys are not permitted.

Warm Regards

Natalie Simmonds
