# Lostwithiel Primary School

Newsletter SPRING TERM 2017 12th May 2017

Head's Hello

What a busy week we have had at Lostwithiel School. The pupils in year 6 have made us incredibly proud. They all approached their SATS with a mature and can do attitude. We could not have asked them for any more. Well done to the pupils and staff. Year 5 had an adventure on their camp in Bude. There was mountain boarding, Body Boarding and Mr Chorlton even got stuck in a cave! Again, I must thank all of the staff who put in their time and effort to make the camp so safe, exciting and fun.

Warm regards  
Natalie Simmonds

## Data Collection Sheets

You should have received envelopes containing Data Collection Sheets for your child. Legally we need to confirm that all information held by us about your child is up to date and correct. Children who have joined us since September 2017 ( including reception children) will not receive the sheets as information has only recently been obtained. However, it would be very helpful if you could let us know if you or any of your child's emergency contacts have changed, or your phone number, address, email address etc. We would be grateful if you could take a few minutes to check the form and amend it if necessary. Please sign and return the form to school by the 26th May even if there are no changes.

## FAMILY CAMPING WEEKEND

**Netball**

Just a reminder that netball practice is continuing for the whole of the summer term, Tuesdays 3.15-4.15pm. The decision to continue in the summer was a joint one between coaches and netballers - we hope to maintain the Year 6s' fantastic skill level so that they will be ready for their secondary school teams and we are keen to get our current Year 4s and 5s well-practised so they are ready to play in matches which start early in September. It was great this week to see the older players passing on their skills to the younger members of the team, and we saw some terrific Year 3 & 4 goals.

**RUNNING CLUB**

**No running club on Monday 15 May**

**Monday 22 May—Ice cream run to the castle**

(children will need to bring £2.10, exact money please)

**This will be the last running club for this year**

**Clubs**

The following clubs are still running through the summer term:

Monday- Coding Club

Thursday-Healthy Schools Club

Tuesday—Netball Club

Thursday—Writing Club

Unfortunately we have had cases where children have not turned up for an after school club with no explanation. Your child **should** attend the club they have chosen; the only exceptions should be if they are away e.g. through illness or have an appointment. The adults who run the clubs give their time voluntarily and we would expect your child to commit to the club they have selected for at least a half term. There is also the issue of the child's safety where the parent/carer expects their child to be in a school club until a certain time after school but their child has left the school premises and we do not know where they are. If your child no longer wants to attend the club they have joined the parents/carers should inform the school office or the adult running the club in good time.
