These events are subject to change dependant on the rate and number of Covid infections within the school and community .

Pick up procedures

I have met with class reps a number of times this term and have taken on board feedback about pick up procedures at school. As we move towards 'normal' we will adopt the pick up procedure we had prior to the covid pandemic. This should help with the 'bottle neck' we get at the middle and top gate as well as making sure parents feel more connected to the school.

From Monday 1st November 2021, the school gates will open at 3pm. Parents can come onto the school grounds and wait for children outside the external doors (see below). Gates will be locked down again at 3:20pm to secure the site as we still have clubs and wrap around care on school site. We will also stagger release time at each block by 5 minutes to allow parents of multiple siblings to get to each door. If your child is old enough and has permission to walk, a member of staff will dismiss them at the top gate as normal, at 3:15pm.

Bottom block-Apple class: release at 3:05pm

Middle Block – Beech, Oak and Cherry class: release at 3:10pm from classroom back doors

Top Block- Maple and Conkers class: Release at 3:15pm. Maple parents wait on top playground (to the right of the main gate), Conkers on main playground (to the left of the main gate).

REPORTING ABSENCE TO SCHOOL

As a safeguarding issue it is important that you report your child's absence to school by 9.30 am on the day of absence. Please either do so, phone or email the school office to report the absence of your child, the office will pass the message to your child's class. It is important we have full details of your child's symptoms rather than poorly or unwell.

If you wish, you can additionally advise your child's class teacher via dojo, although the school office will pass on your message to class.

If your child has been sick or has had diarrhoea they should remain at home for 48 hours .

Reminder regarding unauthorised absence

Cornwall Education Learning Trust revised the pupil attendance policy in December 2020 for all schools within this Trust, which includes Lostwithiel School. We are issuing a reminder letter (dated December 2020) to all of our parents/carers (via your youngest child) which details the change in Penalty Notice procedures for parents/carers. A copy is attached to this newsletter. We would like to remind parents/carers that we will request Penalty notices when appropriate as per the details on our Attendance Policy which can be found on our school website under Statutory Information, policies, CELT attendance policy. If you have any queries regarding requesting an absence for your child please contact the school office.

https://www.lostwithiel.cornwall.sch.uk/website/policies_/208596

Absence request - We require parents/carers to complete an absence form **at least 15 days in advance of a planned absence and before a holiday is booked**. This information is a requirement of the Department of Education for recording purposes and your co-operation with this policy is very much appreciated.

We also need to know in advance of any hospital appointments and to have a copy of the appointment letter if you have been given one or a screen shot of the letter via dojo. **The school office also need to know in advance of dental appointments that will require your child to be absent during the school day. You can email the school office at admin@lostwithielsch.org or send a dojo to the school office.** Can we request that any non urgent medical appointments are made outside of the school day or within the school holidays if possible.

8th December 2020

Dear Parent/Carer

Here at Lostwithiel School we recognise that there are occasions when it is appropriate to authorise an absence, such as when a pupil is genuinely too ill to attend school, has a medical appointment that cannot be taken outside of school hours or a request for leave has been agreed in exceptional circumstances. However, the Government does not support parents taking children out of school unless the school agrees this is appropriate under 'exceptional circumstances'. Any request for leave should be made in writing to the Headteacher using the school's request form and must be completed by all adults with parental responsibility.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

The decision to submit a request for the issue of a Penalty Notice will be considered when a child's attendance is deemed to be 'not regular'. The definition of 'not regular' in this instance is when it is below the threshold set by Cornwall Education Learning Trust (CELT). For all CELT schools, this attendance threshold is set at 96%, in line with national attendance data. In the Autumn Term, a child's attendance for the previous academic year will be considered before deciding on a course of action. From January onwards, the decision will be based on attendance data from the current academic year.

You are welcome to contact the school to discuss any concerns you may have regarding this or if you feel you would like advice or support in helping your child attend more regularly. Lostwithiel School is committed to maximising the education of all its pupils and aims to work with parents to ensure this can be achieved.

Yours sincerely

Natalie Simmonds
