Head's hello

We were delighted to receive guidance yesterday that confirms all pupils will return to School in September. There will still be COVID 19 prevention measures in place, such as; staggered drop off, pick up and play times, increased hand washing, increased cleaning and larger 'bubbles' of children. Once we have worked through the guidance and put a staffing plan into place we will send this information out to families next week.

As we adjust to 'the new normal' and living with the virus, there will be more children and adults being tested regularly for a variety of reasons. We want to assure parents and carers of the following:

- We will inform you if a child develops a high fever and/or a cough in school
- We will inform you if a child does not come to school and has a reported high fever or new continuous cough
- We will inform parents if a child is tested and then receives a positive test result. This will result in their bubble being closed for up to 14 days and public health England being informed
- We will not routinely inform you if a child or family member has a test as a precaution or for their employment

There is more detailed information from the Department of Education on this link;

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

We will keep you informed of any further updates and will have 'bubble' information for September with you early next week.

Natalie Simmonds  
Headteacher

## THIS WEEK AT SCHOOL ...

We had some visitors! The baby chicks hatched last week and were only a few days old. They were in school briefly before returning to their farm

Fluffy spent the morning in Apple Classroom this week where she laid an egg and had a scratch around in the Ampitheatre. In the afternoon she had a visit to the pre-school for a short time

The garden is looking so lovely

### CATERLINK SCHOOL PACKED LUNCHES

There is a change to the way lunches are provided this term. We have taken orders for children attending school that are having a school packed lunch from the two week menu choice. If you have already given your child's order **you do not need to order again** as those choices will be carried forward for the following weeks for the rest of this term. For any children wishing to have a school packed lunch (that hasn't already been pre-ordered), we need orders at least a day in advance, unfortunately orders **can not** be taken on the day as we have done previously at registration.

Thank you for your co-operation and please contact the School Office if you have any queries.

**ALLERGY INFORMATION:** If your child has an allergy or intolerance please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child.
