Head's hello,

It has been a busy and exciting week here at Losty! This week has seen Apple and Cherry class heading to the beach, Beech class visiting Truro museum, year 5 and 6 making a splash at Porthpean and we have Oak visiting Restormel Castle today. Bubble sports days have begun, and teachers have planned more curriculum enrichment for classes over the next two weeks. Monday the 19th July is the beginning of transition week. In this week, children will move to their new classroom with their class. They will take part in art and craft activities, vote for their new school council representatives and create their class charter. They will also receive their summer holiday home learning so that they are ready for September's topic work. It is a really valuable week that ensures children and teacher can hit the ground running in September. Therefore, we encourage all parents and carers to hold off on taking any holidays until we break up for the summer.

Kinds regards  
Natalie Simmonds  
Headteacher

# Come to LEAF's Toy Swap!

10:30am—noon, Saturday 24th July  
The Parade, Lostwithiel.

Every year in the UK, an average of £294 is spent on each child's toys! If your child has 'outgrown' a toy, why not come to LEAF's Toy Swap, so they can feel involved in looking after our planet *and* have the joy of a new, pre-loved toy to play with?

Please bring sanitized toys to the parade by 10am, where they will be checked by a member of LEAF (no electrical toys).

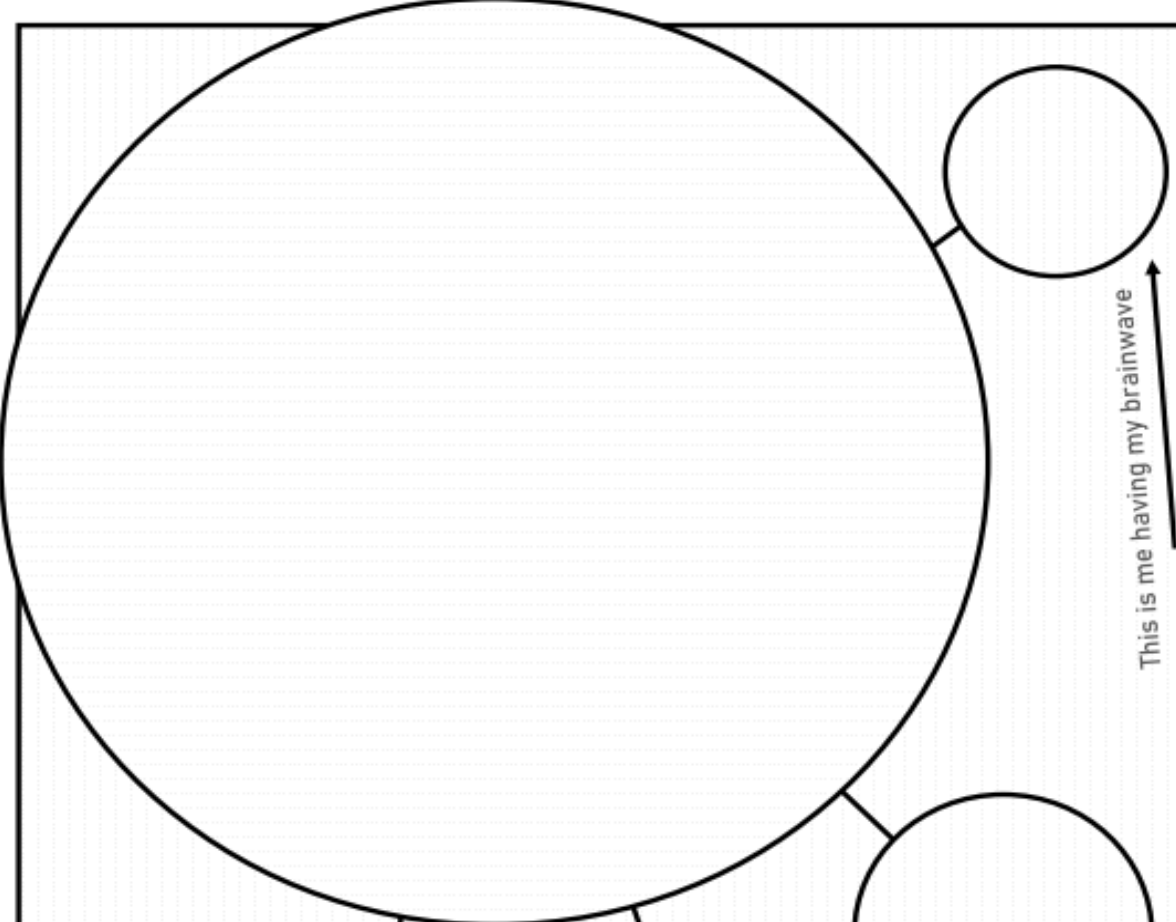

There will be 50p, £1 and £2 tables. We ask that parents and carers help children decide which table their toy should be placed on. Your child will receive a colour token to swap a toy for the same value. The swapping starts at 10:30am!

Further details: Lostwithiel's Environment Action  
Forum (LEAF) Facebook page.

## 'Green Brainwave' drawing competition

Planned for 24<sup>th</sup> July at the Toy Swap event. Copies of this template and colouring materials will be available at the event or you can print off this copy and get colouring at home. It is hoped that all entries will be able to be displayed, as children submit them, during the event. There will be a small prize for the most creative idea – one for KS1 and one for KS2 – which will be announced at the end of the event, around 4pm.

<p>Think of a name for your invention?</p>	<p>How can we look after and protect our future and our environment?</p> <p>Using your imagination, can you think and draw an idea, a solution or an invention ?</p> <p>Be as creative and wild as you like!!</p> <p>Use the lines of the grid to help you draw shapes and write</p>	<p>INVENTOR NAME :</p>
 <p>This is me having my brainwave</p>	<p>INVENTOR AGE :</p>	
<p><b>MY GREEN BRAINWAVE</b></p>
