Key RE learning Outcomes for this unit:

Make sense of belief

- Identify texts that come from a Gospel, which tells the story of the life and teaching of Jesus
- Make clear links between the calling of the first disciples and how Christians today try to follow Jesus and be 'fishers of people'
- Suggest ideas and then find out about what Jesus' actions towards outcasts mean for a Christian

Understand the impact

- Give examples of how Christians try to show love for all, including how Christian leaders try to follow Jesus' teaching in different ways

Make connections

- Make links between the importance of love in the Bible stories studied and life in the world today, giving a good reason for their ideas.
