Head's Hello,

It was wonderful to see all of the children support World Book Day this week. Sharing stories and reading with children is one of the joys of teaching! In each class, the teacher reads a class reader every day. The class reading book can be chosen because it links to our topics or sometimes it is chosen simply because it is a great story! We hope to promote the love of reading in school and at home so please do continue to read with your child as they get older and into Key Stage Two. Even the children in year 6 love to listen to and read a great story.

Maple class have been writing their own fantastic narratives this week on their new class blog. The blog was set up last week and we already have so many of the children accessing this at home and at school to read and write. If you would like to read Maple class' blogs you can on <https://clusterblogging.net/mapleclass/>

This is a global blogging platform that links primary schools to share and publish their learning. We aim for each class to have their own blog in soon.

British Science Week 2020

'Science of a Pasty'

Saturday 14 March 1.00-3.00pm

Join the National buzz to celebrate STEM during British Science Week!

Visit Wheal Martyn and see science in action.

Find out more about the science connected to the delicious Cornish Pasty!

Our FREE Family Science Day is on Saturday 14 March, 1.00 to 3.00pm.

Take part in the hands-on science investigations, take an engineering challenge to design and build a structure, be creative and unleash your artistic streak and be inspired to think like a scientist. All our facilitators are aspiring young scientists and engineers from the St Austell Home Ed Group, keen to show the fun in STEM!

All activities are FREE. Bring the whole family along to enjoy the day!

For full entry to the museum, normal museum entry fees or a Cornwall Residents' Pass is required. Why not take advantage of the discounted annual Cornwall Residents' Pass, still available until 31st March - Adult £7.50; Child £5.00.

For all enquiries, contact the Education Officer on gmartin@wheal-martyn.com

LOSTWITHIEL EDUCATIONAL TRUST

The above Trust exists to benefit young people up to the age of 25 years old who live in the parishes of Lostwithiel and St Winnow.

In the past we have helped with grants to large scale projects within the town of Lostwithiel e.g. skate park, children's play areas, and with small groups such as guides/junior band. We also help individuals with various enterprises, including where the applicant shows promise in a particular area e.g. music, drama, sport, dance etc.

Each application is discussed by the Trustees as to whether it falls within their remit and a decision is made at our quarterly meetings. Applications may be made at any time during the year by, or on behalf of, the young person, but for your information our meetings this year will be in March, July and October.

Application for grants should be made either by email to:-

The Secretary Educational Trust, coffabridge3@yahoo.co.uk or edtrust@gmail.com
or by mail, marked for the attention of Lostwithiel Educational Trust c/o Church Administration Office, St Bartholomew's Church, Church Lane PL22 0EG.

in the first instance you could just request a form to fill in and return to the Trust - if any further information is needed, then the Trustees will get back to you.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it
with a tissue

Bin it

Kill it
by washing
your hands with
soap & water or
hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks
& sport
activities

Before
cooking
& eating

On arrival at
any childcare
or educational
setting

After using
the toilet

Before
leaving
home

Try not to touch your
eyes, nose, and mouth
with unwashed hands

Do not share items that come
into contact with your mouth
such as cups & bottles

If unwell do not share
items such as bedding,
dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings gov.uk/government/publications/guidance-to-educational-settings-about-covid-19. Parents can visit NHS.UK to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See NHS.UK for advice on coronavirus.

If there is an emergency, call 999 immediately
