Head's Hello,

Now that we are firmly in December the exciting Christmas activities will begin. We have lots of exciting things planned for the children over the coming month. Please keep your eye on class and school dojo to keep updated on the different festivities. At school, we have begun to practice for our carol concert. We have opted for traditional carols this year, which we will sing in the church on the 14th December. I for one cannot wait to hear the sound of the school children singing in our community church again after covid. It will be our first indoor Christmas Carol Concert since 2019.

As always, our classes will still be busy learning during this period. A special commendation goes to year 6 this week, who have absolutely *ACED* their practice SATS papers during assessment week. Mrs Faircloth and Mr Stead are so very proud of all of the effort and pride the children have shown in their learning during the autumn term. Well done all. I am very proud of you too.

Natalie Simmonds
Head Teacher

"Adults in early years skilfully interact with children and ask meaningful questions about their learning. As a result, children get off to a good start. Parents receive regular progress and curriculum updates. For example, staff help parents to understand the school's approach to the teaching of phonics."

"The early years provision is of good quality and is a strength of the school. Children make good progress, notably in developing their communication skills".

"This good progress comes about because of good teaching. A particular strength is the imaginative use made of outdoor learning". The provision is well led and is rightly considered by the local authority to be a model for other schools in its use of the outdoor environment as a learning resource for the early years".

2023**

Starting school September 2023

Applying for a place in a reception class for children born between 1 September 2018 and 31 August 2019

Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

2022/2023

Dear Parent/Carer

Here at Lostwithiel School we recognise that there are occasions when it is appropriate to authorise an absence, such as when a pupil is genuinely too ill to attend school, has a medical appointment that cannot be taken outside of school hours or a request for leave has been agreed in exceptional circumstances.

However, the Government does not support parents taking children out of school unless the school agrees this is appropriate under 'exceptional circumstances'. Any request for leave should be made in writing to the Headteacher using the school's request form.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

You are welcome to contact the school to discuss any concerns you may have regarding this or if you feel you would like advice or support in helping your child attend more regularly. Lostwithiel School is committed to maximising the education of all its pupils and aims to work with parents to ensure this can be achieved.

The decision to submit a request for the issue of a Penalty Notice will be considered when a child's attendance is deemed to be 'not regular'. The definition of 'not regular' in this instance is when it is below the threshold set by Cornwall Education Learning Trust (CELT). For all CELT schools, this attendance threshold is set at 96%, in line with national attendance data. In the Autumn Term, a child's attendance for the previous academic year will be considered before deciding on a course of action. From January onwards, the decision will be based on attendance data from the current academic year.

Yours sincerely

Headteacher
