Dear Parents and Carers,

Thank you for completing the survey sent out regarding the return to school. If you have not seen this survey, please check your junk folders for an email from eschools.

Timetable of the return to school for specific year groups

Our school staff will return on Tuesday 1st September and will spend one day in school **without** pupils to receive safeguarding training.

We are taking the reintroduction of pupils slowly to ensure that staff and pupils are safe and that the measures we are taking are workable and sustainable before we introduce more pupils into the school. Therefore, our planned timetable is as follows:

Year 3 & Year 6 will return to school on Wednesday 2nd September 2020.

EYFS will follow the phased entry timetable already issued by Mrs Webber.

All other children will return to school on Monday 7th of September.

What prevention measures will school have in place?

It will be impossible to maintain the social distancing recommendation in a school and the government have acknowledged this in their guidance. As a result, we have been instructed to follow their [guidelines](#), which include:

Limiting mixing between 'bubbles' children will have a staff and pupil 'bubble', therefore creating bubbles of staff and pupils around the school. Children in each building will not mix with other children in another building. These bubbles are now much larger and will consist of all of the children and staff in their building

Additional Cleaning and handwashing: Children will wash their hands on entry, before playtime, lunchtime and through the day. There are additional cleaning rotas in place and additional cleaners in to ensure regular cleaning of touchpoints, toilets and tables.

Staggered drop off and collection. You will see from our timetable above that different year groups will be dropped off and collected at different times. All parents must adhere to this and follow the signs and staff guidance when they arrive and leave the school site. Staff will bring the children out for collection.

There will be no extracurricular clubs, trips, visits or visitors in the Autumn Term. This will remain under review and we hope to get back to a full extra-curricular offer in the Spring term

Breakfast and After School Club will return as normal but parents will need to pre book the week before via dojo as we will have to limit places. Payment must be in advance.

All children will be provided with their own equipment/stationery for their use only and will not be permitted to bring in pencil cases

There will be no hot dinners. Children can bring in a packed lunch from home or order one in advance from the school kitchen. Lunches will be eaten within their bubbles. Lunches will be paid for in advance in the same way using Parent Pay. Children in Reception, Year 1 and 2 are still entitled to a free school meal under the Universal Free School Meal scheme.

What if there is a case of COVID-19 in school?

We will be monitoring the pupils carefully upon their return and would ask all parents that intend to send their child back to school remain incredibly vigilant regarding the symptoms of COVID-19 and keep their child at home if they have any suspicions that they are not well. Any pupil who becomes unwell with covid symptoms at school will be sent home immediately. They will be isolated within our school building, accompanied by a member of staff protected by PPE, until they can be collected. We would ask all parents to get to us as soon as possible should we need to send their child home. Any pupil or member of staff showing symptoms of COVID-19 will be able to access a test which can be booked via the gov.uk website. If a child or a member of staff in one of our bubbles becomes ill, we will inform all families of members of the bubble so that they can self-isolate. We will contact all parents in school to inform them when this happens.

If you have any concerns or queries please contact your child's class teacher via Class Dojo or email admin@lostwithielsch.org

Yours sincerely
Natalie Simmonds
Headteacher

CATERLINK SCHOOL PACKED LUNCHES

There is a change to the way lunches are provided this term. We have taken orders for children attending school that are having a school packed lunch from the two week menu choice. If you have already given your child's order **you do not need to order again** as those choices will be carried forward for the following weeks for the rest of this term. For any children wishing to have a school packed lunch (that hasn't already been pre-ordered), we need orders at least a day in advance, unfortunately orders **can not** be taken on the day as we have done previously at registration.

Thank you for your co-operation and please contact the School Office if you have any queries.

ALLERGY INFORMATION: If your child has an allergy or intolerance please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child.
