Head's Hello

We are so incredibly proud of our year 6 children who achieved amazing SATS results this year. We got 100% in Reading, 96% in Spelling and Grammar and 93% in Maths. This is something to celebrate! It is significantly above the national and Cornish average and this is something we have now achieved two years in a row. Our progress from KS1 is also positive. Well done too to Mrs Faircloth and Mr Stead who have worked very hard to help our children do this. The children will also remember all of the teaching throughout their school life that helped them.

Each and every one of our pupils will be secondary ready and I am sure they will go on to fulfil all of their dreams and aspirations. Well done year 6!

Natalie Simmonds
Head Teacher

Our Key Stage 2 results this year – shown in the bold figures and green bars on the above chart – are above the most recent national results (purple) in every subject. They are our best ever results in every subject (except writing, where our results were 1% higher last year), and show a clear trend of year on year improvement. We're delighted that 100% of our Y6 children achieved the Expected standard or above in reading.

At Key Stage 1 (end of Year 2), our results have improved since 2016, and have now been consistently above national results in reading, in writing and in maths for each of the last three years.
