Poems - The Sound Collector The Sound Collector has many words in it that end with -ing. Remind yourself of the rules by completing the activity sheet. <i>Remember if a word ends in e - drop it before adding -ing. If a word ends in a consonant with a short vowel before it, double the consonant before adding -ing.</i> Now listen out for sounds in your house or garden. Write a list of 10 words in their root form (without -ing) and with the -ing suffix. Can you use one of your sounds to compose a line like that in the poem?
