Head's Hello,

This week marks the longest period in which children have been in school since the start of the pandemic. Children have not been in school for 4 consecutive terms since 2019 and our children in Year 2 and below will have never had a 'normal' spring or summer term. We think they are doing a super job of showing us their learning stamina and perseverance but understandably children (and grown-ups!) are tiring as we come to the Easter break.

Yesterday's DfE bulletin has updated the measures for Covid-19 in line with the Government's living with Covid strategy [Government sets out next steps for living with COVID - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/news/government-sets-out-next-steps-for-living-with-covid-19)

Please see below for the key points.

- adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days
- Children and young people with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting

Kind Regards,
Natalie Simmonds

8th December 2020

Dear Parent/Carer

Here at Lostwithiel School we recognise that there are occasions when it is appropriate to authorise an absence, such as when a pupil is genuinely too ill to attend school, has a medical appointment that cannot be taken outside of school hours or a request for leave has been agreed in exceptional circumstances. However, the Government does not support parents taking children out of school unless the school agrees this is appropriate under 'exceptional circumstances'. Any request for leave should be made in writing to the Headteacher using the school's request form and must be completed by all adults with parental responsibility.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

The decision to submit a request for the issue of a Penalty Notice will be considered when a child's attendance is deemed to be 'not regular'. The definition of 'not regular' in this instance is when it is below the threshold set by Cornwall Education Learning Trust (CELT). For all CELT schools, this attendance threshold is set at 96%, in line with national attendance data. In the Autumn Term, a child's attendance for the previous academic year will be considered before deciding on a course of action. From January onwards, the decision will be based on attendance data from the current academic year.

You are welcome to contact the school to discuss any concerns you may have regarding this or if you feel you would like advice or support in helping your child attend more regularly. Lostwithiel School is committed to maximising the education of all its pupils and aims to work with parents to ensure this can be achieved.

Yours sincerely

Natalie Simmonds
Headteacher
