Head's hello

As we come to the end of another week in the 'new normal', I wanted to say how grateful I am to all of the staff, children and parents for their positivity in such unprecedented times. We are so thankful to parents and carers for allowing us time to get used to the drop off and pick up procedures and the children for being so sensible with hand washing and waiting for their turn. Most of all, I am grateful for the staff, who have been 100% committed at all times. Staff are genuinely happy to be back in school and we are so delighted to be back doing the job we love. THANK YOU to all.

With some staff returning in July we have reviewed our capacity under the guidelines to have more children in school. We are pleased to be able to offer our year 5 pupils a two-week transition from Monday the 13th of July. This will be mornings only and I will be in touch with those children in year 5 early next week with more details.

Happy Helpers

Due to current staff shortages, we have been lucky enough to have help from some secondary colleagues from Penrice. They have had their temperature taken on entry to school and have complied with all of the hygiene measures we have put in place. They have been happy to get stuck in with our primary curriculum and we are very happy to have the help.

CATERLINK SCHOOL PACKED LUNCHES

There is a change to the way lunches are provided this term. We have taken orders for children attending school that are having a school packed lunch from the two week menu choice. If you have already given your child's order **you do not need to order again** as those choices will be carried forward for the following weeks for the rest of this term. For any children wishing to have a school packed lunch (that hasn't already been pre-ordered), we need orders at least a day in advance, unfortunately orders **can not** be taken on the day as we have done previously at registration.

Thank you for your co-operation and please contact the School Office if you have any queries.

ALLERGY INFORMATION: If your child has an allergy or intolerance please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child.

PARENT PAY BALANCES

Please be aware that the school office sent a dojo two weeks ago regarding Parent Pay debit balances . We asked parents/carers to pay any outstanding debts owed for their child and if anyone could not pay due to financial difficulties to contact the school office. Thank you to those parents/carers who have paid their outstanding debts but unfortunately we still have a number of unpaid debts. Mrs Whitlock will continue phoning parents/carers asking them to pay outstanding debts for school lunch and childcare provision.

We would like to remind parents/carers that all these services should have been paid for on the day or in advance as Lostwithiel School does not offer credit facilities. We appreciate that many of our parents have busy lives so you may find it helpful to set up an email reminder on Parent Pay. By doing so when your child's balance drops to a specific amount (of your choosing) you receive an email alert.

Cornwall Education Learning Trust have introduced a new finance policy which we will be sharing with you soon .

Thankyou.
