| Prior Learning: It is expected that most of the children will now be in their second year of attendance at Lostwithiel School. Many children will also live within and be familiar with the village and its various buildings and locations. This learning will allow them to gain knowledge and understanding about the history of local landmarks and the town. During Reception year and as part of school life during year 1, children will have participated in local events within the community and will have visited the church and river. This local knowledge will be further built upon in year 2 as they learn the history of the school. | | | | | |
| Key Historical Vocabulary - history, timeline, memories, old, new, earliest. Children understand that places have history and appreciate that where they live also has a past. They will gain a knowledge and chronology about landmarks and places within their local community. | | | General Terms and Cross Curricular Vocabulary | | |
