### Head's Hello

I have been lucky enough to spend lots of time in the children's classrooms this week and talking to children about their learning. It has been a real joy to listen to their enthusiasm, especially about maths and science. We have been doing some really exciting experiments this week and I have seen some great hands on learning. See if your child can tell you about the things they have learnt in science.

As the weather gets colder (and wetter!) please ensure your child comes to school with a coat and school jumper or fleece. We try to get the children outside in all weathers so they need their warm jumpers!

### JUST ONE TREE

Thank you for all your donations today for Just One Tree non-uniform day.

Just One Tree is a non-profit initiative removing CO2 from the atmosphere through global reforestation. Just One Tree supports established reforestation projects, namely the International Tree Foundation and Eden Reforestation Projects, who plant in areas severely affected by mass deforestation such as Kenya, Madagascar, Haiti & Indonesia. In doing so they have the greatest positive effect on global warming whilst simultaneously alleviating extreme poverty within impacted communities through training, education and employment. Just One Tree makes it simple for everyone to contribute to collective action on the climate crisis because Just £1 plants 1 Tree.

We're sure you will agree that tree planting is absolutely essential at this critical time for the planet.

**FOOTBALL & NETBALL, Lostwithiel vs Fowey**

**Football years 3 and 4**

Having not trained or played a single match together as a school this was a new challenge for all involved. Fowey were excellent and you could tell that they had been training and playing games together for a lot longer than us. Every player gave their all and each one of them encouraged each other which was lovely to see. All in all for a first game together as a group they should all be very proud of themselves and hopefully with training starting soon we will be able to get that first win!

**Football years 5 and 6**

The game started off with both teams creating a couple of chances and the keepers from both teams making a couple of really good saves. Unfortunately Fowey took the lead with a goal that bounced around our penalty box before it saw a Fowey striker put it into the back of the net. There must have been no more than 5 minutes to play when the ball fell to Charlie about 20 yards out, he hit it on the half volley and it flew into the top corner to make it 2-2. Harvey worked tirelessly down the right side creating chance after chance but we just couldn't find the back of the net. With 1 minute remaining we had a corner. The ball was played into the box to Ashley who headed it against the crossbar. The rebound was followed up but struck the post. The ball eventually fell to Leo who was clinical and tucked the ball away to make the final score 3-2 to Lostwithiel, who made it very hard work for themselves on the day. With no games now until after Christmas, they have earned a well deserved rest.

**Netball years 5 and 6**

An excellent win for Lostwithiel against a good Fowey side. 4-2 to Lostwithiel, well done team and a great performance.
